# 10/100 PC Card LAN Magnetic Modules

RoHS peak reflow temperature rating 260°C
 Low profile packages from .094" (2,39mm) to .078" (1,98mm) for PC card and cardbus applications

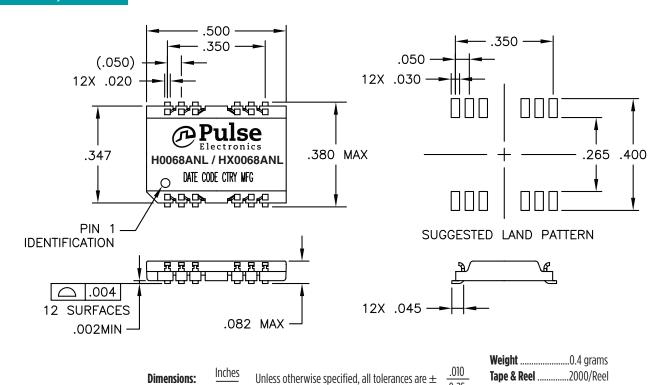

| Electrical Specifications @ 25°C – Operating Temperature 0°C to +70°C |                      |     |                               |                                |        |        |   |        |         |                              |        |         |            |
